8 BROAD BASED BLACK ECONOMIC EMPOWERMENT (BBBEE)

Transnet fully endorses and supports the Government's Broad-based Black Economic Empowerment Programme and it is strongly of the opinion that all South African Business Enterprises have an equal obligation to redress the imbalances of the past.

Transnet will therefore prefer to do business with local business enterprises who share these same values. To this end, Transnet will seriously reconsider continued business relationships with such local business enterprises that do not possess a BBBEE "recognition level" of **at least a level 5**.

When Transnet invites prospective suppliers to tender for its goods and services it consequently urges Respondents (large enterprises and QSE's- see below) to have themselves accredited by any one of the various Accreditation Agencies available, who do their BBBEE ratings in accordance **with the latest Codes (i.e. those promulgated on 9 February 2007) and whose names appear on the present ABVA (Association of BEE Verification Agencies) – "List of Full Members" as displayed on the ABVA website (www.abva.co.za).**

Although no agencies have, as yet, been accredited by SANAS (SA National Accreditation System), Transnet will, in the interim, accept rating certificates of respondents who have been verified by any of the listed agencies.

Enterprises will be rated by such agency based on the following:

Large Enterprises (i.e. annual turnover >R35million):

- Rating level based on all seven elements of the BBBEE scorecard.
- Large Enterprises must attach their BBBEE certificate and detailed scorecard from an accreditation agency (registered as a "Full Member" with ABVA).

Qualifying Small Enterprises – QSE (i.e annual turnover >R5million but <R35million):

- Rating based on any four of the elements of the BBBEE scorecard.
- QSE's must attach their BBBEE certificate and detailed scorecard from an accreditation agency (registered as a "Full Member" with ABVA).

NB:

Emerging Micro Enterprises – EME (i.e. annual turnover <R5m are exempted from being rated/verified):

- Automatic rating of Level 4 BBBEE **irrespective of race of ownership**, i.e. 100% BBBEE recognition
- Black ownership >50% or Black Women ownership >30% automatically qualifies as Level 3 BBBEE, i.e. 110% BBBEE recognition
- EME's must confirm their annual turnover and black ownership by providing sufficient evidence from their Auditor, Accounting Officer or Verification Agency

Date:

Initial:

In addition to the above, Tenderers who wish to enter into a Joint Venture or subcontract portions of the contract to BBBEE companies, must state in their tenders the percentage, of the total contract value that will be allocated to such BBBEE companies, should they be successful in being awarded any business. A rating certificate in respect of such BBBEE JV-partners and / or sub-contractor/s, as well as a breakdown of the distribution of the aforementioned percentage must also be furnished with the tender response to enable Transnet to evaluate / adjudicate all tenders received on a fair basis.

In view of the high emphasis which Transnet places on Broad-based Black Economic Empowerment, **Transnet will allow certain preference points for BBBEE in the evaluation of all responses. Depending upon the value of the ensuing business award (i.e. below or in excess of R2m), the 80/20 or 90/10 point preference system will be utilized where BBBEE will count out of 20 or 10 respectively in the evaluation process.**

Each respondent is required to furnish proof of the above to Transnet. Failure to do so will result in a score of zero being allocated for BBBEE
