#### **1.6 BROAD-BASED BLACK ECONOMIC EMPOWERMENT (BBBEE)**

Transnet fully endorses and supports the Government's Broad-Based Black Economic Empowerment Programme and it is strongly of the opinion that all South African business enterprises have an equal obligation to redress the imbalances of the past.

Transnet will therefore prefer to do business with local business enterprises that share these same values. Transnet consequently urges Respondents (large enterprises and QSE's - see below) to have themselves accredited by any of the various Accreditation Agencies available, who do their BBBEE ratings in accordance with the latest Codes (i.e. those promulgated on 9 February 2007) and whose names appear on the present ABVA (Association of BEE Verification Agencies) – "List of Full Members," as displayed on the ABVA website ([www.abva.co.za](http://www.abva.co.za)).

Although no agencies have been accredited as yet by SANAS (SA National Accreditation System), Transnet, in the interim, will accept rating certificates from Respondents who have been verified by any of the listed Accreditation Agencies.

1.6.1 Enterprises will be rated by such Accreditation Agencies based on the following:

**a) Large Enterprises (ie. annual turnover >R35million):**

- Rating level based on all seven elements of the BBBEE scorecard

**b) Qualifying Small Enterprises – QSE (ie annual turnover >R5million but <R35million):**

- Rating based on any four of the elements of the BBBEE scorecard

**c) Emerging Micro Enterprises – EME (ie. annual turnover <R5m are exempted from being rated/verified):**

- Automatic rating of Level 4 BBBEE **irrespective of race of ownership**, i.e. 100% BBBEE recognition
- Black ownership >50% or Black Women ownership >30% automatically qualifies as Level 3 BBBEE, i.e. 110% BBBEE recognition
- EME's should only provide documentary proof of annual turnover (i.e. audited financials) plus proof of Black ownership if Black ownership >50% or Black Women ownership >30%

1.6.2 In addition to the above, Respondents who wish to enter into a Joint Venture or subcontract portions of the contract to BBBEE companies, must state in their Proposals the percentage of the total contract value that will be allocated to such BBBEE companies, should they be successful in being awarded any business. A rating certificate in respect of such BBBEE JV-partners and / or subcontractor/s, as well as a breakdown of the distribution of the aforementioned percentage must also be furnished.

1.6.3 Each Respondent is required to furnish proof of the above to Transnet. Failure to do so will result in a score of zero being allocated for BBBEE evaluation.

**Turnover :** Kindly indicate your company's annual turnover for the past year? R\_\_\_\_\_

- If annual turnover <R5m, please attach audited financials
- If annual turnover >R5m please attach accreditation certificate by an ABVA Accreditation Agency (registered as a "Full Member").

**In view of the high emphasis which Transnet places on Broad-Based Black Economic Empowerment,** Transnet will allow certain preference points for BBBEE in the evaluation of all responses. Depending upon

the value of the ensuing business award (i.e. below or in excess of R2m), the 80/20 or 90/10 point preference system will be utilized where BBBEE will count out of 20 or 10 respectively in the evaluation process.
