## T2.2-27: Broad-Based Black Economic Empowerment (B-BBEE)

#### **B-BBEE** and preferencing scheme:

Transnet fully endorses and supports the Government's Broad-Based Black Economic Empowerment Programme and it is strongly of the opinion that all South African business enterprises have an equal obligation to redress the imbalances of the past.

Transnet would therefore prefer to do business with local business enterprises who share these same values and who are prepared to contribute to meaningful B-BBEE initiatives (including, but not limited to subcontracting and Joint Ventures) as part of their tender responses. Transnet will accordingly allow a "preference" in accordance with the 90/10 preference system, as per the Preferential Procurement Policy Framework Act 5 of 2000 (as amended), to companies who provide an original and valid B-BBEE verification Certificate or a certified copy thereof. All procurement and disposal transactions will be evaluated accordingly.

Consequently, when Transnet invites prospective suppliers to submit tenders for its various capital expenditure programmes, it urges tenderers (Large Enterprises and QSE's - see below) to have themselves accredited by any one of the various Accreditation Agencies approved by SANAS (the South African National Accreditation Systems, under the auspices of the Department of Trade and Industry) and IRBA (Independent Regulatory Roard for Auditors).

All certificates are to display the BBBE Prification Agency Body Name and BVA Body number or a Registered Auditor's Body Name and IRBA number.

The Department of Trade and Industry recently revised the 2007 Codes of Good Practice on 11 October 2013 [Government Gazette No. 36928]. The Revised Codes will replace the Black Economic Empowerment Codes of Good Practice issued on 9 February 2007. The Revised Codes provide for a transitional period ending 30 April 2015. During the transitional period, companies may elect to be measured in terms of the Revised Codes or the 2007 version of the Codes. Companies which are governed by Sector-specific Codes will be measured in terms of those Sector Codes.

As such, Transnet will accept B-BBEE certificates issued based on the Revised Codes. Transnet will also continue to accept B-BBEE certificates issued in terms of the 2007 version of the Codes provided it was issued before 1 May 2015. Thereafter, Transnet will only accept B-BBEE certificates issued based on the Revised Codes.

Enterprises will be rated by such agencies based on the following:

Scorecard Types	Exempted Micro Enterprise	Qualifying Small Enterprise	Generic Construction
Discipline	Parameters are based or	annual turnover of the Me	asured Entity
Contractor (2007 Codes of Good Practice)	Annual turnover < R 5 million	Annual turnover > R 5 million and equal to or , < R 35 million	Annual turnover > R 35 million
Contractor (2013 Revised Codes of Good Practice)	Annual turnover < R 10 million	Annual turnover > R 10 million and equal to or , < R 50 million	Annual turnover > R 50 million
Built Environment Professionals (BEP)	Annual turnover < R 1,5 million	Annual turnover > R 1,5 million and equal to or , < R 11,5 million	Annual turnover > R 11,5 million

#### a) Large Enterprises

- 2013 Codes of Good Practice: Rating level based on all 5 elements of the revised B-BBEE Scorecard

#### b) Qualifying Small (n) orprises – QSE

- 2007 Codes of Good Practice: Rating level based on any four of the elements of the B-BBEE scorecard
- 2013 Codes of Good Practice: Rating level based on all 5 elements of the revised B-BBEE Scorecard. QSEs that are 100% Black owned or at least 51% Black owned are only required to obtain a sworn affidavit on an annual basis confirming their annual total revenue and level of Black ownership. The former category of QSE qualifies for a Level 1 B-BBEE rating whereas the latter qualifies for a Level 2 B-BBEE rating. Transnet reserves the right to request evidence or documentation from Bidders in order to verify their B-BBEE recognition claimed.

#### c) Exempted Micro Enterprises -

- 2007 Codes of Good Practice: Automatic rating of Level 4 B-BBEE irrespective of race of ownership, i.e. 100% B-BBEE recognition. EMEs which are more than 50% Black owned are promoted to a Level 3 contributor. Tenderers who qualify as EMEs must submit a certificate (Which may be in the form of a letter) issued by an Accounting Officer as contemplated in the CCA or a Verification Agency accredited by SANAS or a Registered Auditor. The certificate must confirm the company turnover Black Ownership and Black Woman Ownership and B-BBEE status level.
- 2013 Codes of Good Practice: EMEs are decimed to be 100% compliant. Automatic Level 4 rating irrespective of race of ownership. All EMEs are only required to obtain a sworn affidavit on an annual basis confirming their annual total revenue and level of Black ownership. Transnet reserves the right to request evidence or documentation from Bidders in order to verify their B-BBEE recognition claimed. EMEs which are 100% Black owned qualify for a Level 1 rating and EMEs which have 51% Black ownership a Level 2 rating. Tall snet reserves the right to request evidence or documentation from Bidders in order to verify their B-BBEE recognition claimed.

Note: Failure to submit a valid and original B-BBEE certificate or a certified copy thereof at the Closing Date of this RFP will result in a score of zero being allocated for B-BBEE

#### d) B-BBEE Joint Ventures or Consortiums

Respondents who would wish to respond to this RFP as a Joint Venture [JV] or consortium with B-BBEE entities, must state their intention to do so in their RFP submission. Such Respondents must also submit a signed JV or consortium agreement between the parties clearly stating the percentage [%] split of business and the associated responsibilities of each party. If such a JV or consortium agreement is unavailable, the partners must submit confirmation in writing of their intention to enter into a JV or consortium agreement should they be awarded business by Transnet through this RFP process. This written confirmation must clearly indicate the percentage [%] split of business and the responsibilities of each party. In such cases, award of business will only take place once a signed copy of a JV or consortium agreement is submitted to Transnet.

A trust, consortium or joint venture will qualify for points for its B-BBEE status level as a legal entity, provided that the entity submits its B-BBEE status level certificate.

A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate bid.

Note: Failure to submit a valid and original B-BBEE certificate for the JV or a certified copy thereof at the Closing Date of this RFP will result in a score of zero being allocated for B-BBEE.

#### e) Subcontracting

Transnet fully endorses Government's transformation and empowerment objectives and when contemplating subcontracting Respondents are requested to give preference to companies which are Black Owned, Black Women Owned, Black Youth Owned, owned by Black People with Disabilities, EMEs and QSEs including any companies designated as B-BBEE Facilitators<sup>1</sup>.

If contemplating subcontracting, please note that a Respondent will not be awarded points for B-BBEE if it is indicated in its Proposal that such Respondent intends subcontracting more than 25% [twenty-five percent] of the value of the contract to an entity/entities that do not qualify for at least the same points that the Respondent qualifies for whose the intended subcontractor is an EME with the capability to execute the contract.

A person awarded a contract may not subcontract more than 25% [twenty-five percent] of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned, unless the contract is subcontracted to an EME that has the capability and ability to execute the subcontract.

In terms of T2.2-50 of this RFP [the BBEE Preference Point Claim Form] Respondents are required to indicate the percentage of the contract that will be sub-contracted as well as the BBEE status of the sub-contractors.
