12. **BROAD-BASED BLACK ECONOMIC EMPOWERMENT (“BBBEE”)**

Transnet fully endorses and supports the Government’s Broad Based Black Economic Empowerment Programme and it is strongly of the opinion that all South African business enterprises have an equal obligation to redress the imbalances of the past.

Transnet would therefore prefer to do business with local business enterprises who share these same values and who are prepared to contribute to meaningful BBBEE initiatives (including, but not limited to subcontracting and Joint Ventures) as part of their RFQ responses. Transnet will accordingly allow a “preference” in accordance with the 10% preference system, as per the Preferential Procurement Policy Framework Act, 5 of 2000 (as amended), to companies who provide a BBBEE Accreditation Certificate. All procurement and disposal transactions in excess of R30 000 (thirty thousand S.A. Rand) will be evaluated accordingly. All transactions below this threshold will, as far as possible, be set aside for Exempted Micro Enterprises (EMEs).

Consequently, when Transnet invites prospective suppliers to submit Quotations for its Services and services, it urges Respondents (Large Enterprises and QSE’s - see below) to have themselves accredited by any one of the various Accreditation Agencies available who do their BBBEE ratings in accordance with the **latest Codes (i.e. those promulgated on 9 February 2007)**.

Although no agencies have, as yet, been accredited by SANAS (South African National Accreditation System), Transnet will, in the interim, accept rating certificates of Respondents who have been verified by agencies who do their BBBEE ratings in accordance with the latest Codes as promulgated on 9 February 2007. This will be an interim arrangement only until such time as the SANAS List has been approved by the DTI. (Certificates are valid for a period of one year only).

12.1 Enterprises will be rated by such agency based on the following:

- (a) **Large Enterprises (i.e. annual turnover >R35 million):**
  - Rating level based on all seven elements of the BBBEE scorecard
- (b) **Qualifying Small Enterprises – QSE (i.e. annual turnover >R5 million but <R35 million):**
  - Rating based on any four of the elements of the BBBEE scorecard

(c) **Exempted Micro Enterprises – EME (i.e. annual turnover <R5 million):**

- EMEs are exempted from BBBEE accreditation
- Automatic rating of Level 4 BBBEE irrespective of race of ownership, i.e. 100% BBBEE recognition
- Black ownership >50% or Black Women ownership >30% automatically qualify as Level 3 BBBEE, i.e. 110% BBBEE recognition
- EME's should only provide documentary proof of annual turnover (i.e. audited financials) plus proof of Black ownership if Black ownership >50% or Black Women ownership >30%

12.2 In addition to the above, Respondents who wish to enter into a Joint Venture or subcontract portions of the contract to BBBEE companies, must state in their RFQs the percentage, of the total contract value that will be allocated to such BBBEE companies, should they be successful in being awarded any business. A rating certificate in respect of such BBBEE JV-partners and / or sub-contractor(s), as well as a breakdown of the distribution of the aforementioned percentage must also be furnished with the RFQ response to enable Transnet to evaluate / adjudicate all RFQs received on a fair basis.

12.3 Respondents will be required to furnish proof of the above to Transnet. (i.e. a detailed scorecard as stipulated above in respect of Large Enterprises and QSEs, or proof of turnover in respect of EMEs). Failure to do so will result in a score of zero being allocated for BBBEE.

**Turnover :** Kindly indicate your company's annual turnover for the past year R.....

- If annual turnover <R5m, please attach audited financials.
- If annual turnover >R5m please attach an accreditation certificate issued by an Accreditation Agency, together with all the relevant score sheets pertaining thereto.

**13. COMMUNICATION**

Respondents are warned that a response will be liable to disqualification should any attempt be made by a Respondent either directly or indirectly to canvass any officer(s) or employee of Transnet in respect of this RFQ between the closing date and the date of the award of the business.

B4.2.2 The minimum percentage of the total work that shall comply with the standard of control, shall be 80%. This measurement will be applicable for each inspection carried out during the term of the contract.

B4.2.3 Failure by the Contractor to achieve the standard of "Overall Control" shall enable the Project Manager to terminate the Contract in terms of the Transnet US7 Standard Terms and Conditions of Contract.
